مؤتمر ومعرض كهرباء الخليج ٢٠١٣

GCC POWER 2013

18-20 November 2013

ADNEC - ABU DHABI, UAE

INTRODUCTION

The 18th Exhibition for Electrical Equipment is considered the best meeting place to congregate Power & Energy Experts and discover a great variety of suppliers at the Exhibition. It's a prime source to invest in Power Manufacturing, Distributions and Electrical.

The 9th GCC – CIGRE International Conference leads by the Highly Professionals matched with High-Profile Delegates which participated by GCC nationals and other Foreign Countries. The topics that were discussed were related to electrical power, with more than 45 technical papers, 2 tracks for the conference, and more than 284 professionals from the GCC, Arab countries and even worldwide.

The Power Industry and its market form the bedrock of our society, which Middle East Electricity is well known for the fast growing market on sales and marketing and at the cutting edge of developments.

GCC Power 2013 was hosted by Abu Dhabi Water & Electricity Authority (ADWEA) in the, United Arab Emirates, known for its tremendous improvement and continuous progress across the Emirates.

For another exciting experience and to gain more knowledge about the latest trends in the Power industry, we invite you once again to another prestigious edition of GCC Power, to be held in Manama, capital of Bahrain.

OPENING CEREMONY

Abu Dhabi Water & Electricity Authority (ADWEA) -
Abu Dhabi, United Arab Emirates, by the Minister
H.E. Suhail Mohammed Al Mazrouei,
Ministry of Energy.

THE TUTORIAL & CONFERENCE

-  **45** Speakers
-  **02** Conference Tracks
-  **284** Conference Delegates
-  **97** Tutorial Delegates
-  **381** Total Attendance

PRE-CONFERENCE TUTORIALS

Tutorial 1

Power System Security
(Methods of Fault Mitigation)

Tutorial 2

Renewable Energy Systems
(Characteristics, Integration Requirements
& Ancillary for Grid Support)

MAIN TOPICS OF THE CONFERENCE

Track A

Session A1	Development of Interconnections and Power Markets
Session A2	System Operations and Control
Session A3	Clean and Renewable Energy for the GCC
Session A4	Innovations in System Development

Track B

Session B1	Power Transformers , Reactors and Insulators
Session B2	Asset Management for Power Systems
Session B3	HVDC and FACTs Technologies

THE THREE BEST PAPERS FOR THIS YEAR

- Paper A301- Opportunities to Reduce Greenhouse Gas Emissions In Electricity Sector “ADWEA Power Systems Practices”
- Paper A304- The Need for Holistic Assessment Methods for the Future Electricity Grid
- Paper A506- Distributed Temperature Sensing (DTS) System in National Grid SA Network

Technical Papers were submitted from the following countries

- Bahrain
- Belgium
- Canada
- Egypt
- France
- Germany
- Jordan
- KSA
- Kuwait
- Libya
- Oman
- Qatar
- Sweden
- Switzerland
- UAE
- UK
- USA

The Conference

GCC Power 2013 was hosted by Abu Dhabi Water & Electricity Authority (ADWEA) - Abu Dhabi, United Arab Emirates, by the Minister **H.E. Suhail Mohammed Al Mazrouei**, Ministry of Energy.

EXHIBITION INAGURATION

GCC Power 2013 was hosted by
Abu Dhabi Water & Electricity Authority (ADWEA) -
Abu Dhabi, United Arab Emirates, by the Minister
H.E. Suhail Mohammed Al Mazrouei,
Ministry of Energy.

EXHIBITORS

25 Exhibitors

12 International Exhibitors

05 Regional Exhibitors

08 Local Exhibitors

13 Countries Represented

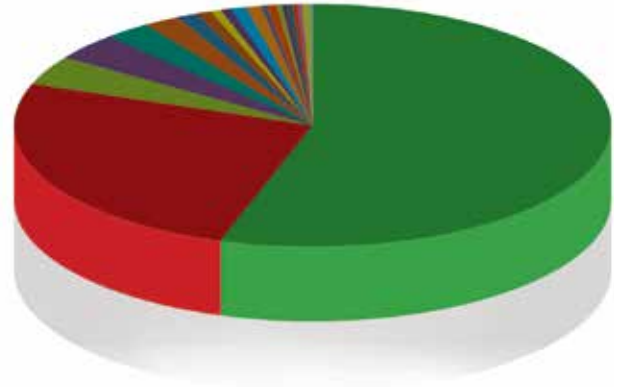

476 VISITORS

Visitors per Country: The main visitors were from UAE and Saudi Arabia, as well as other Arab, Gulf and European countries, such as:

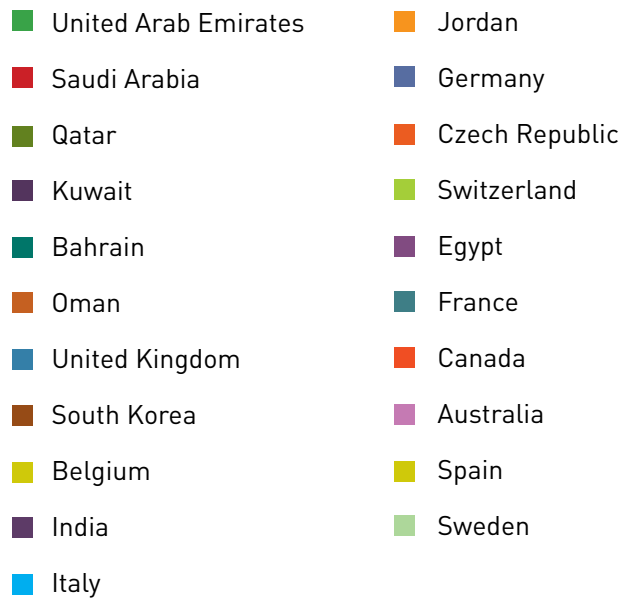

- Qatar
- Kuwait
- Bahrain
- Oman
- United Kingdom
- South Korea
- Belgium
- India
- Italy
- Jordan
- Germany
- Czech Republic
- Switzerland
- Egypt
- France
- Canada
- Australia
- Spain
- Sweden
- Norway

VISITORS & EXHIBITORS SURVEY

Country	Total
United Arab Emirates	262
Saudi Arabia	122
Qatar	19
Kuwait	17
Bahrain	12

United Kingdom	5
South Korea	4
Belgium	3
India	3
Italy	4
Jordan	3
Germany	2
Czech Republic	2
Switzerland	2
Egypt	1
France	1
Canada	1
Australia	1
Spain	1
Sweden	1
Norway	1
Total	476

Visitors' Survey Report

- 89% were satisfied with the Exhibition.
- 96 % said the location of the event was good

Visitors' Profiles:

- 14% Wholesaler
- 18% Retailer
- 25% Manufacturer
- 34% Dealer
- 9% Others

Exhibitor:

- 79% achieved their goals for attending GCC POWER 2013
